You are freaking awesome!
Volleyball has been a blast
with you ever since day one!
You are such a light to
everybody around you, with
your love for the Lord, your
smile, and of course your
never-ending amount of stories
you have;) I have no doubt you
will go far in whatever you do,
just keep a map and a Bible

"The 2011 football team had another tremendous season. Our team ended the season 9-0 again this year and we played the first live televised game, in the history of our school on TXA 21 on November 3, 2011. Our team was ranked in the Top 20 all season long and we suffered our only two

losses to two teams in the Top 10. Our team, and specifically our senior class, created an attitude of winning that should pave the way for much more success in future years. These seniors will be greatly missed, but their example of hard work, dedication, and a strong desire to win are character traits that future athletes will use to continue the success started by the senior class." - Coach Galbreath

"Although our record was not what we wanted these guys overcame quite a bit including 2 injuries to major players and the loss of loved ones. Given many opportunities to quit, our kids persevered and continued to fight. I will never forget these kids or this year, and we will all be better for it down the road. On a side note, all but one of our losses were to Playoff teams and we played 9 ranked teams in the state."

Oh how sweet the memories of days gone by!
From your birth to graduation -how time flies.
We knew you were special right from the start
You as Little Miss Sanger and now, Football Sweetheart.
Your beautiful eyes and smile light up any room
Being in your presence is like watching a flower in bloom.
You have made us so proud each and every day
God has blessed us with you in so many ways.
This has been a big year for you.
As you end one journey and begin another of new
Remember to stay focused and God will lead your way
To a college graduation and degree some day.
Dream big, set goals and aim high at everything you do
Be proud to be a part of the graduating class of 20-1-2!
We love you! Mom, Dad, Wade, Haley, Brayden & Landon

Our journey together began on October 8, 1993, when you entered this world with your big beautiful eyes wide open. You were Daddy's little girl from that moment. You were blessed with many talents and tried to take advantage of them all. What a busy life you have already had! You have grown into a beautiful, independent woman, who has touched many lives and made many friends. We knew this day would come... We didn't know it would come so quickly. It's time for you to take a different path, and you will truly be missed. As you begin this new chapter in your life, remember where you came from, what you believe in, that you have made friends for a lifetime, and that you have a family that is always here for you. Wow! It seems like just yesterday you were 2 and telling us 'I Big' and sneaking out of the house to ride your 4-wheeler. You have brought us so much joy, laughter and happiness. We will always treasure the memories. As you begin the next phase of your life, know that we are always here to support, encourage, and love you and we will always be your biggest fans. We are so proud of the young man you have

become and know that with your courage, determination, moral character and compassionate spirit that the world is yours for the taking. Always remember 'I can do all things through Christ Jesus who strengthens me' Phillippians 4:13

I'm so proud of the person you've become; so independent and strong willed. I'm very blessed to have you as my daughter. I wish you all the best for your future. I hope you get all you've ever dreamed of and more. With faith anything is possible. I love you so much Tay! You'll always be my little girl.

Love, Daddy

Taylor, I cannot believe how fast life can go. God blessing my life with you has forever changed me and everyone you touch. Your stubbornness and perserverance have made you the strong woman you are becoming. Your faith, kind heart, and beauty are unparalleled. I have no doubt of your potential! I could not love you more, Stinkerbell!

Love, Momma

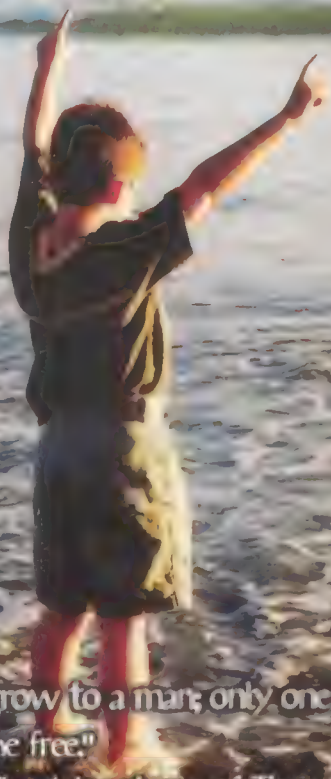

Tay, there was the most beautiful rainbow over the hospital the day you came into my life. You had my heart the first time I saw your sonagram. You are now my very precious "rainbow".

I love you so, G'ma

Wow! My Taylor Waylor is about to be a HS grad. How fast time has past. Seems like yesterday you were singing all those songs and we took our first shopping trip... Memories I will always cherish!
